Note "by any means necessary" - violence, terror,
lies, assass.

We're in a bad situation.

~~We must not~~ We must not/cannot afford to -
make it worse.

That's Bush's job.

Let's not help him make the world
more dangerous - like Bin Laden, ~~SA~~ OBL/AQ,

Zargani, Ahmadinejad, Kim Jong

Our job is to block these cooperative efforts
and try to reverse course.

kind of a potential ~~Dem~~ winging)

Wingard is the new kind of Democrat

I don't have any reason to believe we'd
